Highly compressed porn movies are an adult genre where action is simulated. Some highly compressed porn movies will move faster than reality, but many will be a first person simulation or simply slow down the action. For example, you may have sex with your girlfriend or a man. Other highly compressed porn movies will show the action happening from multiple angles as if you were there. Most of the women in these movies will only appear as a silhouette or a silhouette silhouette with a breast. WARNING! All the videos listed in this archive are rated R for extremely sexy and highly compressed adult sex videos.
